

REPORT OF THE FACULTY ATHLETICS REPRESENTATIVE
Faculty Senate
October 2, 2024

Committee on Academic Performance: CAP met for the first time of the Academic year on Monday, September 9, and will continue quarterly meetings. In addition to our regular meeting agenda items, we discussed annual goals, which will include the review of the 2.0 Rule and CAP's definition in the current ULAA bylaws. We will also continue to discuss transfer issues and policies/procedures that surround these policies. We welcomed new members Harini Chenna and Jason Cumberledge. CAP will continue to house two subcommittees this year: Student Athlete Academic Committee, chaired by Meg Hancock and Student Wellness Committee, chaired by Melissa Barnes.

Transfer Portal: Did you know.....:

Transfer Portal Opening for Graduate Students: October 1st

Graduate student-athletes can enter the portal from October 1st until the conclusion of their sport's final transfer portal window. After the window closes, student-athletes will need to wait until the portal reopens for the next window to enter.

Respectfully Submitted,

Prof. Krista Wallace-Boaz, Faculty Athletics Representative
Chair of the Committee on Academic Performance
Provost's Liaison for Athletics
