

REPORT OF THE FACULTY ATHLETICS REPRESENTATIVE
Faculty Senate Report
April 2, 2025

CAP

Beginning this year, the Spring meetings of the Committee on Academic Performance (CAP) will be an extended group, including representatives from campus partners including compliance, financial aid and admissions. In a joint agenda developed between the FAR and Compliance, policy, procedures and pertinent new information from outside agencies such as the NCAA will be discussed.

ACC

While I was unable to attend the winter ACC meetings due to illness, I will be participating on an ACC FAR subcommittee assigned to develop a document that outlines FAR Best Practices.

FAR Activities

In addition to my regular activities, including daily review of Athletic Change of Grade and NCAA Waivers, I am working with nominated students, faculty and staff regarding this year's nominations for NCAA spring post graduate scholarship application.

Did you know?

As the academic year ends and NCAA championships wrap up this summer, thank you for taking a moment to review NCAA Bylaw 17.1.7.11.2.1. Thank you for all you do to support our student-athletes, and all students, during the academic year!

Division I NCAA Bylaw 17.1.7.11.2.1 states that at any conference or NCAA championship, student-athletes from the team representing the host institution shall be permitted to miss class time to attend practice activities conducted the day before the competition. (*Adopted: 4/27/00, Revised: 4/26/01*)

Respectfully Submitted,
Prof. Krista Wallace-Boaz, Faculty Athletics Representative
