

ULARP REPORT TO THE FACULTY SENATE 4 3 2024

Elaine Wise, ULARP Liaison

ULARP's Annual Business Meeting will take place in July 30, with the assistance of a partner in Advancement, the President's Office, and the Employee Success Center. It is to be held at the University Club. Too, the Employee Success Center will assist with the procedures to be followed as ULARP nominates its first designee for the Presidential Award for Outstanding Retiree in 2025.

Retiree exclusion from EAP (Employee Assistance Program) benefits is being addressed. We are told that HR is willing to consider reinstating the benefit as part of the new vendor contract.

ULARP is now accepting applications for membership from part-time faculty, and voted to accept applications from *gratis* faculty as well.

ULARP's seminar on Trusts, held in conjunction with the University Club, was quite successful. UPARP's Cardiovascular Seminar is scheduled for April 8 at 11 am at the University Club. We will schedule a seminar on Hosparus/Hospice Care in the spring. An End of Life seminar is being planned as well. All of these are beneficial to the entire University community.

Stay tuned for a baseball outing this summer!
