

University of Louisville – Faculty Senate – Planning & Budget Committee
Committee Report for May 1, 2019 Senate Meeting
Prepared by Reginald Bruce, Committee Chair (Management, College of Business)

There was no meeting of Planning & Budget during April. At the present time, there are no new proposals for Centers or Institutes for us to review. The new Center for Archaeology and Cultural Heritage (CACHE), located in UofL's newly renovated and leased space at 1606 Rowan St. in Portland, was approved by the Board of Trustees April 18. The center houses archaeology laboratories and collections and is home to participating anthropology department faculty.
