

## **Report from the FS Planning & Budget Committee (P&BC)**

December 6, 2022

- A. P&BC had one in-person meeting and multiple email communications since the last Faculty Senate meeting in November.
- B. P&BC (Chair) reviewed by email a proposed program closure of the MEng degree in Industrial Engineering which is now a duplicate degree program with the MS degree in Industrial Engineering. There are no financial or budget aspects to this closure since all faculty and courses (and 3 current students) will continue under the MS degree in Industrial Engineering.
- C. P&BC met yesterday with the organizers of a proposed Center in Positive Leadership in the Business School to discuss and clarify their proposal. P&BC has not yet reached a decision on a recommendation for consideration by the Faculty Senate.
- D. P&BC has no other proposals currently before the Committee.

Pat

Patrick D. Harris, PhD

Chair of the FS Budget & Planning Committee
