

To achieve technical compliance with Kentucky's HB424, the law amends various governing statutes to include a mandatory performance and productivity review for the President and faculty at least once every four (4) years, and a corresponding additional ground for termination based on the new performance review. The relevant statutes can be found here: KRS 164.360 (<https://apps.legislature.ky.gov/law/statutes/statute.aspx?id=56365> ) and KRS 164.830 (<https://apps.legislature.ky.gov/law/statutes/statute.aspx?id=56367> ).

The following change will impact the Periodic Career Review period from five (5) years to four (4) to achieve technical compliance.
