

## **Sec. 3.4.2 The Faculty Senate**

### **B. Membership**

The Faculty Senate shall consist of faculty representatives elected by the academic units listed in [Section 3.1.1](#). The number of senators to be elected by the faculty of each unit will be determined by the application of a formula predetermined and established by the Faculty Senate. When the total voting membership of the Faculty Senate exceeds seventy-two, the Senate shall modify the numerical basis for faculty representatives so as to provide a lesser membership.
