

## Redbook Committee Report

April 2017

1. The Committee has completed its review of the **Speed School's promotion and tenure document** and has placed it on the Senate agenda for its first reading.
2. The Committee has completed its review of the **Kent School's bylaws document** and has placed it on the Senate agenda for its first reading.
3. The **School of Dentistry** has requested that the bylaws document that the Senate approved in February 2017 not be sent to the Board of Trustees because the unit is revising another section of that document. The Redbook committee will keep the Senate informed on its progress.
4. The **Speed School bylaws** approved in February 2017 have been reviewed by the provost office and will be placed on the Board of Trustees docket for either April 16 (which reportedly has a rather full agenda) or May.
