

Redbook Committee (RB)
Report to Faculty Senate
November 6, 2019

At the Faculty Senate meeting on October 2, 2019, the Senate approved revisions to the College of Education & Human Development Bylaws reflecting two departmental name changes. The Department of Middle and Secondary Education changed its name to the Department of Elementary, Middle, and Secondary Teacher Education. The Department of Special Education changed its name to the Department of Special Education, Early Childhood, and Prevention Science.

RB has completed its initial review of the revised School of Dentistry Bylaws; the revised Speed School Personnel Policy; and the revised University Libraries Personnel Document and Bylaws. RB is in the process of working with these units to improve the clarity of their documents in preparation for a full Senate vote.

Respectfully submitted,
Rob Detmering, RB Chair.
