

**Redbook Committee
Report to Faculty Senate
February 3, 2021**

The revised A&S policy was approved at the January 13 Senate meeting.

The committee completed its initial review of the revised Speed School Bylaws and provided a response to the unit.

The committee does not have any new business and is waiting for responses from both Speed School and the School of Nursing regarding their revised Bylaws.

Respectfully submitted,
Rob Detmering, Chair
