

Redbook Committee
Report to Faculty Senate
December 1, 2021

The Redbook Committee is finalizing its initial review of the Kent School's revised Bylaws and plans to send feedback to Kent before winter break.

Additionally, the Redbook Committee has started reviewing revisions to the SPHIS Bylaws and the A&S Personnel Policy. These revisions are smaller in scope than the Kent School revisions, and we hope to respond to the units before or just after winter break.

Respectfully submitted,
Rob Detmering, Chair
