

Redbook Committee
Report to Faculty Senate

May 4, 2022

The Redbook Committee will conduct a second reading and hold a vote on the revised unit documents for the Kent School and the School of Medicine at the Faculty Senate meeting in May.

The committee has also been asked by the Executive Committee to explore a potential change to the Faculty Senate Bylaws that would address temporary vacancies/leaves among officers. We have had some initial discussion online, including obtaining feedback from the Chair of the Committee on Committees and Credentials. The Redbook Committee will meet this month to determine next steps.

Respectfully submitted,

Rob Detmering, Chair
