(APC) Committee report for June 5, 2019 FS meeting

Prepared by Chin Ng, Associate Professor of Radiology (Medicine) - Committee Chair

---

A revision on a graduate certificate proposal of “Teaching English as an International Language (TEIL)” is being reviewed by APC. The goal is to present this proposal to the FS for voting in the July meeting.

APC will meet with Emma Sterrett-Hong from Kent School of Social Work at 2 pm on June 5, 2019 to discuss about a proposal on a new Master of Science degree in Couple and Family Therapy.

Other proposals in the pipeline are MS in Additive Manufacturing and Design from Speed School of Engineering, and a certificate in Business Analytics from College of Business. Neither proposal has been submitted to APC for review.
