

University of Louisville - Faculty Senate (FS) - Academic Programs Committee

(APC) Committee report for July 3, 2019 FS meeting

Prepared by Chin Ng, Professor of Radiology (Medicine) - Committee Chair

---

Two proposals are being reviewed by APC: a graduate certificate proposal of “Teaching English as an International Language (TEIL)” from College of Education & Human Development and a new Master of Science degree in Couple and Family Therapy from Kent School of Social Work. The goal is to present these two proposals to the FS for voting in the September meeting.

Two new proposals have been received for review- BS in Business Administration in Management from College of Business and Certificate in Organizational Change in Higher Education from College of Education & Human Development.

Other proposals in the pipeline are MS in Additive Manufacturing and Design from Speed School of Engineering, and Certificate in Business Analytics from College of Business. Neither proposal has been submitted to APC for review.
