

University of Louisville - Faculty Senate (FS) - Academic Programs Committee

(APC) Committee report for October 2nd, 2019 FS meeting

Prepared by Chin Ng, Professor of Radiology (Medicine) - Committee Chair

Two proposals were passed unanimously at the last monthly FS meeting on September 4th, 2019: a graduate certificate proposal of “Teaching English as an International Language (TEIL)” from College of Education & Human Development and a new Master of Science degree in Couple and Family Therapy from Kent School of Social Work.

Three new proposals were reviewed by APC on September 27th, 2019- A Post-Baccalaureate certificate in Organizational Change in Higher Education from College of Education & Human Development, a undergraduate certificate in LGBTQ Health Studies from College of Arts & Sciences, and BS in Business Administration in Management from College of Business. The goal is to present at least the first proposal to the next FS meeting on November 6th, 2019.
