

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on April 1st, 2020

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

FS passed a recommendation presented by APC on March 4th, 2020 to return the proposal of closing the French MA program to the College of Arts and Sciences for a fresh start.

At 2 pm on April 1st, 2020, APC will have an online meeting with representatives from the College of Business for a discussion on a new graduate certificate proposal in “Managerial Analytics”. The goal is to present this proposal to the FS in the next monthly meeting (May 6th, 2020).

APC has received a new certificate proposal in “Artificial Intelligence in Medicine” from the Speed School of Engineering. An online meeting will be scheduled to discuss this proposal.
