

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on July 1, 2020

Prepared by Chin K. Ng, Ph.D., Professor of Radiology (Medicine) - Committee Chair

---

On June 3, 2020, FS passed two new certificate proposals: “Human Resource Leadership” from the College of Education and Human Development and “Artificial Intelligence in Medicine” from the Speed School of Engineering.

At 2:00 pm on July 1, 2020, APC will have a TEAMS meeting to discuss a new proposal on “Healthcare Leadership Undergraduate Certificate” submitted by the College of Education and Human Development.

APC has not received other new proposals for review at this point.
