

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on September 2, 2020

Prepared by Chin K. Ng, Ph.D., Professor of Radiology (Medicine) - Committee Chair

---

APC reviewed and passed a new proposal of “Healthcare Leadership Undergraduate Certificate” from the College of Education and Human Development. The certificate proposal will be presented to the full FS for voting on the 9/2 meeting.

APC has received a new proposal of “Master of Science in Health Professions Education” from the College of Education and Human Development. This proposal will be reviewed in October after the FS committee election.
