

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on October 4, 2023

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

---

APC received the charge via email from the FS chair, Eugene Mueller on September 20, 2023.

Positions for APC 2023-2024:

Chin Ng, Chair

Lynette Galloway, XC representative

Erin Gerber, DEI representative

There are 5 proposals waiting for APC to review.

- 1). Undergraduate Exercise Physiology (CEHD)
- 2). Undergraduate Applied Engineering (Speed School of Engineering)
- 3). B.S. Biochemistry (College of Arts & Sciences)
- 4). Master's Program in Artificial Intelligence in Medicine (School of Engineering and School of Public Health and Information Sciences)
- 5). Undergraduate Certificate program: the Diversity, Inclusion, Community Engagement, and Equity in the Workplace (CEHD)

APC has finalized a meeting time with the program directors for proposals 1 and 2 on 10/6 and 10/12 respectively. The goal is to present these first two proposals to the full senate in November 2023 and proposals 3 to 5 in December 2023.
