

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on November 1, 2023

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

---

There are 5 proposals that APC is working on.

- 1). Undergraduate Exercise Physiology (CEHD): Will be presented to FS for a vote this afternoon.
- 2). Undergraduate Applied Engineering (Speed School of Engineering): Revision in progress.
- 3). B.S. Biochemistry (College of Arts & Sciences): APC is voting on this.
- 4). Master's Program in Artificial Intelligence in Medicine (School of Engineering and School of Public Health and Information Sciences): Revision in progress.
- 5). Undergraduate Certificate program: the Diversity, Inclusion, Community Engagement, and Equity in the Workplace (CEHD): APC met with the proposer yesterday.
