

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on October 2, 2024

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

---

- A. Undergraduate Certificate in Healthcare Skills (College of Arts and Sciences) was approved by the FS APC. The following proposals were passed by the full senate in the September 2024 meeting.
1. Ph.D. in Translational Bioengineering (Speed School of Engineering).
  2. Closure of B.S. in Health and Human Performance (replaced by “B.S. in Exercise Physiology”, which has been recently approved and is open to enrollment beginning this fall) (College of Education and Human Development (CEHD)).
- B. The following proposal is being reviewed by FS APC:

Graduate Certificate in Analytics for Decision-Making from Department of Industrial Engineering, Speed School of Engineering.
