

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on February 7, 2024

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

---

APC reviewed the revised contents and delivery method of the graduate certificate in engineering logistics that had been proposed for reactivation by the Speed School of Engineering. APC found no substantial changes in the program and recommended the reactivation to proceed as proposed.

APC has received the following proposal for review.

Bachelor of Science in Communication Sciences and Disorders  
Department of Otolaryngology-Head/Neck Surgery and Communicative Disorders  
School of Medicine
