

University of Louisville - Faculty Senate (FS) - Academic Programs Committee (APC)

Committee report for FS meeting on May 1, 2024

Prepared by Chin K. Ng, Professor of Radiology (Medicine) - Committee Chair

---

B.S. in Communication Sciences and Disorders (School of Medicine) was approved by the FS in the last monthly meeting.

We are reviewing a proposal on Undergraduate Certificate in Healthcare Skills (College of Arts & Sciences).

There is a proposal on Ph.D. in Translational Bioengineering (Speed School of Engineering) in the pipeline.
