Bob,

We have been asked to provide a letter of support for the proposed undergraduate certificate in Diversity, Inclusion, Community Engagement, and Equity. We have completed a review of our available resources in this area which indicates that, even though we have added significant materials in these areas in recent years, we need to continue to enhance our electronic book holdings to adequately support the program. Accordingly, we request \$2,000 from the program in its first year to purchase the recently published electronic books noted in our review, a copy of which is attached.

Please contact us if you have any questions or need additional information.

Sincerely,

Robert E. Fox, Jr.  
Dean, University Libraries
