Bob,

We have been asked to provide a letter of support for the proposed Business of Health Care Graduate Certificate. We have completed a review of our available resources in this area which indicates that, due to the online nature of this program, we should add the recommended electronic books noted in our review which is attached. We are requesting \$1,210 for these resources from the program in its first year.

Please contact us if you have any questions or need additional information.

Sincerely,

Robert E. Fox, Jr.
