

Compare salary data across a range of disciplines: Faculty: 6-Digit Multi-Discipline Report

Report Parameters

Focus Institution	University of Louisville
Comparison Group	Carnegie: Research Universities (very high research activity) (minus my institution) (copy)
Group Size	108 Institutions
Year	2021-22
Compare By	Institutional Average Salaries
Effective Date of Data	November 1, 2021
Data Aging	Not Selected
Filter Outliers	Off
Tenure	Tenured/Tenure Track (4 digit)
Rank	All

All faculty salaries are standardized to 9-10 month contracts.

Key

- NP - Number of persons (incumbents)
- NI - Number of institutions
- - More than 150% of the group average
- - Less than 75% of the group average

Policies

Per Department of Justice Safe Harbor Guidelines, statistics will not display when the number of Institutions contributing data is less than 5 (too few data). Statistics will also not display when one institution's data comprise more than 25% of the total (unbalanced data; only applicable if incumbent—rather than institutional average—salaries are selected). If fewer than 10 institutions have provided data for a position, any percentiles provided are poor estimates at best, and extreme caution should be taken in their interpretation and use.

Data Use Agreement

The focus institution's median salary will be the same as its average salary in the pre-incumbent data reporting era (pre 2016-17) because incumbent salaries were averaged by respondents prior to submission to CUPA-HR.
