University of Louisville
Louisville, KY 40292

We have been asked to provide a letter of support for the proposed BS in Communication Sciences and Disorders. The University Libraries have prepared an analysis of their ability to support the new program. The review indicates that our collections are adequate in this discipline.

I am attaching a copy of our review report for your records. Please contact us if you have any questions or need additional information.

Sincerely,

Robert E. Fox, Jr.
Dean, University Libraries
