Date Form Completed: 11 Dec 2022

<i>1</i>	<i>2</i>	<i>3</i>	<i>4</i>
NAME (F, P)	COURSES TAUGHT Including Term, Course Number & Title, Credit Hours	ACADEMIC DEGREES & COURSEWORK Relevant to Courses Taught, Including Institution & Major List specific graduate coursework, if needed	OTHER QUALIFICATIONS & COMMENTS Related to Courses Taught
Himes, Paul (Full) PhD	BIOL 257: Introduction to Microbiology for Pre-Allied Health Sciences; BIOL 258: Introductory Microbiology Lab for Pre-Allied Health Sciences	PhD, Microbiology and Molecular Genetics, Michigan State University	I teach/have taught many of the Biology Department's classes where most students find their stumbling blocks on the way to a career as a doctor/dentist/veterinarian/nurse/other medical professional (BIOL 240: Unity of Life, BIOL 257: Introduction to Microbiology for Pre-Allied Health Sciences; BIOL 258: Introductory Microbiology Lab, BIOL 329: Cell and Molecular Biology, and BIOL 540/640: Metabolic Biochemistry, among other classes) in addition to directly mentoring the research of 30+ undergraduates in my research lab (co-mentored 30+ additional students), so I'm familiar with places/times when students run into walls in their progress toward their planned career and need to find alternatives. Previously a member of the Quality Enhancement Plan "Find Your Fit" Implementation and Impact Report teams, which was focused on increasing student retention by helping at-risk students find new

			academic/career goals and skills. Currently member of Biology Department Undergraduate Curriculum Committee and the chair of the College of Arts and Sciences Curriculum and Standards Committee
