February 27, 2024

To the Office of Academic Planning and Accountability,

The Biology Department has submitted a proposal for a new certificate called Healthcare Skills Certificate. As Dean of the College of Arts and Sciences I support this new certificate on the recommendations from the A&S Curriculum and Standards Committee (*7 Approve, 0 Against, 0 Abstain*) and the A&S Faculty Assembly (*81 Approve, 0 Against, 1 Abstain*).

If you have any questions, do not hesitate to contact me.

Respectfully,

Dayna Touron, Dean
College of Arts and Science
