We have been asked to provide a letter of support for the proposed online M. Ed in Educational Administration. The University Libraries have prepared an analysis which indicates that our resources only marginally support the proposed program.

Consequently, we would request \$10,000/year from the program in its first three years to purchase educational administration books, e-books, and journal titles in consultation with education faculty to ensure the resources we provide are comparable to our peer institutions

I am attaching a copy of our review report for your records. Please contact us if you have any questions or need additional information.

Sincerely,

Robert E. Fox, Jr.  
Dean, University Libraries
