

COMMITTEE ON COMMITTEES & CREDENTIALS (CCC)
Annual Report 2015-2016

In fall 2015, the committee met with, and received its charge from Pam Feldhoff, Faculty Senate Chair.

During spring 2016, committee members requested, and sought out, volunteers and nominations for Faculty Senate officers and committee members. For almost all committees, a slate of candidates was assembled to fill open positions. At the May 2016 meeting, the committee conducted elections and tabulated the votes for Officers and Committee Members.

The committee did not encounter, or have to address, any special or unusual matters during the academic year.
