RE: Upcoming Faculty Senate election for 21/22 committees

Gretchen Henry is preparing the ballot for the Faculty Senate committee elections to be held at the beginning of May. The current version is available on the FS site and can be accessed [here](#).

The openings for which we still need candidates are these:

**Part-Time Faculty Committee— does not have to be Faculty Senator; may not be from Medicine**

**Parking Appeals Committee— does not have to be Faculty Senator; must be from HSC**

**Staff Senate Representative—may be shared between senators; may be from any unit**

**Student Grievance Committee—does not have to be Faculty Senator; may be from any unit**

Nominations are invited for all committees. Self-nominations are welcome. Please contact Gretchen Henry ([Gretchen.henry@louisville.edu](mailto:Gretchen.henry@louisville.edu)) and/or Rebecca Jemian ([r.jemian@louisville.edu](mailto:r.jemian@louisville.edu)) to make a nomination.

Thank you to everyone who serves on a committee now and to those who are standing for election. Shared governance depends on your work!
