

Committee on Committees and Credentials: May Report

May Election: Process

Our election for committee roles and leadership will take place at our May meeting. We will also take nominations from the floor.

We have changed the process as follows:

- The Office of Institutional Effectiveness is now administering the ballot electronically. This is for all positions on the ballot.
- The ballot will be open for 48 hours after the Faculty Senate meeting ends, so until Friday, May 3 at 5:00 p.m.
- Those earning the top votes will be reported. Anyone running for a role may request the vote count.

Respectfully submitted,

Kathy Gosser
CCC Chair
