

## FACULTY SENATE OFFICERS

### **FACULTY SENATE CHAIR – ONE VACANCY: 1 YEAR TERM**

**NOTE: MUST BE A FACULTY SENATOR**

\_\_\_\_\_ **DAVID SCHULTZ, ARTS & SCIENCES**

My research collaborations have provided me with opportunities to work with faculty across disciplines and units (A&S, Engineering, Medicine). I have been very active in service at all university levels. I have taken on leadership roles (chairing A&S Planning and Budget committee, A&S Faculty Assembly, Institutional Biosafety Committee) and have dedicated my efforts in the senate to important governance and budget committees (Planning and Budget, Executive Committee, Benefits Design Work group) and have advocated for transparency and faculty governance. If elected chair of the Faculty Senate, I will continue to advocate for faculty inclusion in administrative decisions of the university.

### **FACULTY SENATE VICE CHAIR – ONE VACANCY: 1 YEAR TERM**

**NOTE: MUST BE A FACULTY SENATOR**

\_\_\_\_\_ **EUGENE MUELLER, ARTS & SCIENCES**

During my service on the Planning and Budget and Executive Committees of the Senate and the Pivot to Fall Academic Scenarios Committee, I have made sure that faculty concerns have been heard. I have not been shy asking the administration demanding questions, and I shall continue to ask them and push for faculty representation and input in major decisions, which has fallen off during the last few months after a more promising approach of 'shared governance' earlier in the pandemic response. I promise to voice all faculty views and advocate strenuously for positions adopted by the Senate and its committees.
