**SPECIAL ELECTION
BALLOT**

VICE CHAIR – ONE VACANCY

To fill the remainder of the current term until the annual election meeting in May.

_____ **EUGENE MUELLER, A&S**

I have only been in the Senate for two and a half years, but service on Planning and Budget last year and the Executive Committee this year have acquainted me on Senate workings and duties sufficiently to prepare me for the role of Vice Chair. If elected, I guarantee to ensure consideration of all views in developing Senate actions and policy recommendations, advocate strongly for the positions adopted by the Senate, and strenuously push for shared governance.

_____ **DAVID SIMPSON, A&S**

Since 2010, I have been the Department Chair for Urban and Public Affairs in A&S. I have been a continual member of the Faculty Senate since 2009. I have served on the Faculty Senate Executive Committee for the last four years, and for the last year have been a member of Planning and Budget Committee. Among other service and leadership roles I serve as the Chair of the University's Sustainability Council. As someone who feels faculty governance is crucial for creating the best version of our University, I would be honored to serve as the Vice Chair.
