

# **INVEST Working Group Principles/Framework**

## **Valued Investments at the University of Louisville:**

---

- 1. Promote transdisciplinary/multidisciplinary education, research, scholarship and creative activity, and service;**
- 2. Incorporate community-engaged partnerships and services;**
- 3. Are student-centered to advance educational excellence;**
- 4. Have a demonstrated economic, social, and/or cultural impact in Louisville, the Commonwealth of Kentucky, and beyond;**
- 5. Serve the community as a whole by advancing diversity, equity, and inclusion including the interests of underrepresented minorities and historically marginalized communities; and**
- 6. Demonstrate principled leadership and responsible stewardship.**

# INVEST Working Group Action Plan

## Establish An Inclusive Process to Answer Key Questions:

---

- 1. What do we do well that merits investment from those inside and outside of the University?*
- 2. How do we build on those successes?*
- 3. What are the new opportunities– big ideas -- that we might consider for the future?*
- 4. What are the key community concerns and issues?*
