

CHAIR'S REPORT

APRIL 1, 2015

- The Executive Committee will form its own ad hoc committee to study the deferred compensation plan here, and at other institutions. It will report monthly to the Executive Committee and the Chair will report monthly to the full Senate. Asked if the Board of Trustees consider the morale of the students, faculty and staff, the Chair replied that morale is the biggest issue. A full report will be made in September.
- The Chair will send information on the HSC Shared Services town hall meeting. It is a huge undertaking and implementation just began. Darrell Griffith and Gary Southard are leading the effort.
- The Chair will also send information on the UofL students selected to attend the ACC Undergraduate Research Conference in Raleigh.
- The Chair asked for any input regarding the University Ombudsman. She and the Staff Senate chair and the Dean of SIGS are in the process of reviewing the Mr. Belak.
