### EMPIRICALLY ENGAGED PHILOSOPHY

1. Improving Clinical Medicine, University of Louisville, 2017-2018

This project was a series of focus-group style discussion groups with members of transgender and gender non-conforming communities in Louisville. The aim of the project is to better understand the injustices that members of these groups face in the context of health and health care. This project received IRB approval (IRB Number 17.0923) and is a part of the *Cooperative Consortium for Transdisciplinary Social Justice Research* grant that I received (2017-2019).

### WORKS IN PROGRESS
