Connie,

We have been asked to provide a letter of support for the proposed Graduate Certificate in Health Care Ethics. We have completed a review of our available resources in this area which indicates that we need to expand our electronic book holdings to support the program. Accordingly, we request \$1,973.39 from the program in its first year to purchase the electronic books noted in our review, a copy of which is attached.

Please contact us if you have any questions or need additional information.

Sincerely,

Robert E. Fox, Jr.
