

Last Staff Senate was on July 12th;

We had 2 reports:

- **Budget update by VP for Budget & Finance Rick Graycarek**

Rick shared that the revenues were greater than the expenses for the previous fiscal year.

The budget for FY 2023 will be the largest budget in UofL history with \$ 1.5B. Rick showed a presentation for investments in students, faculty and staff and in capital projects.

- **Workday Implementation by Executive Director of Business Operations Center - Melissa Shuter**

She provided an update on the implementation on the progress of the Workday Software system. Testing will start with a broader group of folks. Invitations will be sent out starting October

Next Staff Senate is next week on the 13th

**From a UPDC perspective I want to provide a quick update:**

We are about to open up the new parking lot at Brook Street just south of Eastern Parkway;

Housing 2 - opening ceremony took place on August 16<sup>th</sup> which included opening up the Miller parking lot.

On the HSC – we are still looking at the demo of the Med. Dent Apartments for the end of October.
