

## Missing Parent Information Review

**Student Name:** \_\_\_\_\_ **ID#:** \_\_\_\_\_ **Academic Year:** 2022-2023

You did not report information about your parent(s) on your Free Application for Federal Student Aid (FAFSA) and your answers to the dependency questions indicate parental information is required. Under very limited circumstances (for example, your parents are incarcerated; you have left home due to an abusive family environment; or you do not know where your parents are and are unable to contact them), you may be able to submit your FAFSA form without parental information. **This form is an initial request. Based on the information provided, additional information and documentation may be requested. Please read and check the box below which best states your intention regarding your FAFSA application.**

### The following circumstances will NOT be considered:

- You do not reside with your parents or they do not claim you on their taxes.
- Your parents refuse, or are financially unable, to pay for your college education.
- Your parents live in another state or country.
- Ability to financially provide for oneself.

**If this was an error, log back into your 2022-2023 FAFSA to include your parent(s) information and resubmit your FAFSA as soon as possible.**

- This is an error. I will correct my FAFSA and provide all required parental information.
- I am unable to provide parental information on the FAFSA application due to physical abuse, parental abandonment, unsafe home environment, etc.
  - Please attach a **TYPED and SIGNED** personal statement that includes the following:
    - a. Describe the contact/relationship you have with each parent; AND
    - b. Explain why you are unable to provide parental information on your FAFSA.
