

Professional Judgment for Estimated Loss of Income

Student Name: _____ **ID#:** _____ **Academic Year:** 2023-2024

When there are unusual situations or circumstances that impact your federal student aid eligibility, federal regulations give a financial aid administrator discretion or professional judgment (PJ) on a case-by-case basis and with adequate documentation to make adjustments to the data elements on the Free Application for Federal Student Aid (FAFSA) form that impact your Expected Family Contribution (EFC) to gain a more accurate assessment of your family's ability to contribute to your cost of education.

UNDERSTAND THE FOLLOWING:

- Not all PJ requests will result in a change in financial aid eligibility.
- Upon review of the submitted information, we may be required to request additional information.
- The processing time for PJ requests is approximately 10-15 business days after all required documentation has been collected and all forms have been signed by the student and the parent. Peak periods may result in longer processing times.

DOCUMENTS REQUIRED TO REQUEST A PROFESSIONAL JUDGMENT:

- A completed and signed PJ request form (this form).
- A typed and signed letter describing the financial changes between the 2021 tax information used on the 2023-2024 FAFSA and the current circumstances. The letter should clearly explain the dates indicating when the circumstances occurred, as well as specific dollar amounts reflected in supporting documentation. The letter should outline any prospects of future employment, as well as received severance packages.
- If your parents have lost or changed jobs: A copy of your parents' final paystub from previous employers. If applicable, copies of your parents' 3 most recent paystubs for all current jobs.
- Letter on company letterhead from your parents' previous employer(s) stating the last date of employment.
- If applicable, documentation from the Unemployment Compensation Office of the benefit amount that will be received.
