

# Semester Goals FALL 2020

You want to get the most out of your college experience, but there's so much to think about—grades, major, RSOs, community service, relationships, money, getting enough sleep—that it can be hard to decide what to focus on.

Take a few minutes to really consider **“what do I want to accomplish this semester?”**—Get a certain GPA? Land a killer internship? Become an officer in a campus organization? Decide on a major? Put some money in savings?

Once you've identified your priorities, **use this worksheet to break down your goals** so you can identify why they're important to you and what steps you can take to accomplish them. In the last column, list the steps you'll take this semester to reach each goal. Revisit these semester goals periodically so that you stay on track to achieve them.

	<b>SPECIFIC</b> Exactly what goal will you accomplish this semester?	<b>MEASURABLE</b> How will you know when you have reached this goal?	<b>ACHIEVABLE</b> Is achieving this goal realistic? What resources will you need?	<b>RELEVANT</b> Why is this goal significant to you?	<b>TIMELY</b> When will you achieve this goal?
