

FALL 2021

Semester Goals

You want to get the most out of your college experience, but there's so much to think about—grades, major, RSOs, community service, relationships, money, getting enough sleep—that it can be hard to decide what to focus on.

Take a few minutes to really consider **“what do I want to accomplish this semester?”** *Get a certain GPA? Land a killer internship? Become an officer in a campus organization? Decide on a major? Put some money in savings?* Use the success framework on the previous page to identify a goal for each key aspect of your UofL experience.

	SPECIFIC Exactly what goal will you accomplish this semester?	MEASURABLE How will you know when you have reached this goal?	ACHIEVABLE Is achieving this goal realistic? What resources will you need?
