## Benefits of Participating in the Three Minute Thesis (3MT) Competition:

- \*Practice presentation, public speaking, and research communication skills
- \*Network with other graduate students and faculty from across campus, as well as community members
- \* Awards for Winner, Runner Up, and People’s Choice
- \*Finalists can receive one-on-one coaching

## Benefits of Attending the Three Minute thesis (3MT) Competition:

- \*Learn how other graduate students communicate their research to a non-expert audience
- \* Gain ideas for how YOU can communicate your research to a non-expert audience
- \*Have fun! This is a great event to support and recognize your peers!
