

Hello Melissa,

Welcome to the School of Public Health and Information Sciences (SPHIS) and the University of Louisville!

My name is Tammy Albers and I am the Program Manager for the Office of Student Services within SPHIS. I am here to help you make a smooth transition as you begin your educational journey with us.

We have an **online** orientation scheduled August 14, 2024, for students admitted for summer 2024 and fall 2024. Lots of great information provided during the sessions. Attendance is optional but highly recommended! (*Agenda to follow closer to date*)

Upon acceptance of admission to the University, you will receive a department letter that outlines specific department information. In the meantime, if you have any specific department questions, please reach out to the program coordinators listed below:

Bioinformatics and Biostatistics

Lisa Bell (lisa.bell@louisville.edu)

Health Promotion and Behavioral Sciences

Sam Fowler (they, them) (sam.fowler@louisville.edu)

Epidemiology and Population Health

Robin Newlon (she, her, hers) (robin.newlon@louisville.edu)

Health Management and System Sciences

Pam Renner (pamela.renner@louisville.edu)

Master of Public Health, Public Health Certificate and Clinical Investigation Sciences

Bryan Mathis (bryan.mathis@louisville.edu)

After you accept admission, please activate your accounts:

Activate your accounts. Log in to your University of Louisville ULink and email account using your student ID that has been established for you. Click [here](#) for instructions to log into ULINK for the first time. You will be using this ID to access course registration, your online course materials, and all information pertaining to your student account.

It is your responsibility to be familiar with [Graduate School](#) policies and academic calendars, and you should check regularly for updated information. You should also check your [residency classification status](#) (which determines your tuition rate) in your ULink account.

Sincerely,

Tammy Albers
