

Hello, Honors! *Stay Current* is a mini version of our monthly newsletter, used to keep you up to date between our normal publications. Today's theme: Priority Registration! Please review all of the information on this page so that you are prepared to register for Spring 2021 classes.

PRIORITY REGISTRATION

When: 8:00AM on Friday, October 30

How: Register Through ULink

Visual Guide: <https://louisville.edu/honors/current-students/registration-help>

Have you explored the new ULink Homepage? Check out the graphic below for a breakdown of where you can find helpful tools for registration. The **Class Search and Enroll** feature will let you find classes and add them to your **Shopping Cart**. Once you have added classes to your Shopping Cart, you can validate your courses to ensure there are no pre-req errors or conflicts. After validating, hit enroll and confirm! Please note: the Enroll button will not be visible until 8:00AM on Oct. 30th.
