Event Review: Medical School Spotlight

For the past ten years, Honors has partnered with the University of Louisville's Medical School to produce the Medical School Spotlight. Last week Dr. Stephen Wheeler, Pamela Osborne, and four Honors alumni (currently attending medical school) brought their knowledge and experience to address current students' most pressing questions. When asked about the event a current student, Kara Hubert, said, "The event was very informative and helpful in regards to better understanding the application process and medical school itself. Some of the most useful information was describing how the committee reviews applications; specifically, letters of recommendation, shadowing experience, and transcripts."

During the event John Guardiola (Biology), a fourth year medical student, spoke about his time researching at the NIEH. Ishita Jain (Bioengineering), a second year medical student, discussed her experiences with the pre-med curriculum as a Speed student and why she chose to do a master's program. Thwisha Joshi (French and Biology) and Matthew Smith (Spanish and Biology) represented the first year students. They talked about the adjustments and time commitments that come with medical school and the importance of using your undergraduate degree as an opportunity to explore who you are as a person. The group was able to discuss the best practices for preparing for medical school and how the admissions process actually works. Honors hopes attendees benefited from the event, and looks forward to hosting again next year!

Chili Cook Off

Who makes the best chili you've ever had? Is it you? Is it a family member? Do you want to help raise money for Camp Quality while also eating an array of delicious chili?

No matter the answers, you can help Honors Student Council and Camp Quality raise money!

How? Choose from one or both options below:

1. Enter your favorite homemade chili into the competition, or
2. Pay \$5.00 or \$10.00 to attend the Chili Cook-Off and sample a variety of chili. \$5.00 for 3 bowls or \$10.00 for unlimited!

All proceeds from this event will go to Camp Quality Kentuckiana, which directly serves children with cancer in our local community. Please consider entering a chili and, if you cannot do that, please attend the event and spread the word!

Thursday, November 12

Honors Peer Advisor Positions

Are you interested in working for Honors this summer? Consider becoming an Honors Peer Advisor! Peer Advisors will be trained to help incoming Honors freshmen as they develop an academic plan and schedule courses during summer orientation. This is an outstanding opportunity for Honors students to learn more about the University, discuss their experiences in the University Honors Program with interested new students and parents, and earn some money along the way. Students will be expected to work approximately 15-20 hours each week from mid-May through the beginning of July 2016.

IMPORTANT NOTE: Both the Summer Research Opportunity Program (SROP) and Summer Term II classes may conflict with the required work schedule for a Peer Advisor. Please take this into consideration when applying for the Peer Advisor position. Additionally, if you are planning a summer travel abroad experience, you will want to check with Honors to determine if potential conflicts will prevent you from participating as a peer advisor. Applications are due at 4:00 PM on January 15, 2016. In order to apply you must have completed at least 30 hours (by the end of the spring 2016 semester) and have a 3.35 or higher cumulative GPA. To apply, please visit <http://louisville.edu/honors/Enrichment-opportunities/honors-peer-advising-1>

Honors Peer Advisor Overview:

Timeline and Hours:

Mid-May through Early July 2016
15 - 20 hours per week

Requirements to Apply:

Completed 30 course hours by Spring 2016
3.35 cumulative GPA or higher

How to Apply:

Through our website by January 15, 2016
Contact Kirsten Armstrong with any questions:

Advising Corner

Get Ready to Register!

As you all are probably well-aware, Priority Registration is right around the corner! We in Honors Advising are happy to help you through it, whether it's your first time around or you are a highly-experienced registrant, we hope that the following tips will help to alleviate your anxieties and ensure a successful registration experience for Spring 2016:

Priority registration begins at 8:00 AM on Thursday, Nov. 5

We recommend that you go ahead and **fill your shopping carts on ULink** with your specific course selections for Spring 2016 now, so that you can be ready to just click the "Submit" button bright and early on 11/5. Try using the Online Schedule of Classes in tandem with your ULink Shopping Cart to figure out your day and time options (a link to the schedule of classes is in the Advising Tool Kit below.)

Please consider "validating" your courses prior to registration using the **Planning area of your Shopping Cart**. This way, you have some time to investigate error messages before the day of registration.

To avoid delaying registration, **check for any registration holds** on your account before Nov. 5. Log into ULink and navigate to your "Student Center" under the "Student Services" tab to do this. Not all holds are advising-related, so please read them carefully to find out which office can best help you to address these. If you need assistance addressing these holds or interpreting the reason for them, please contact your advisor or the Etscorn Honors Center at 502-852-6293.

Honors Walk-In Advising is Happening THIS WEEK!

Monday 11/2 - Friday 11/6 • 8:30-11:30 & 1:00-4:00 Daily • Etscorn Honors Center

Want to change your Honors course? Haven't seen us this semester? Have a hold you didn't expect? We are here to help! Everyday this week we will have advisors available for walk-in advising. Wait times vary, so please make sure you have enough time to do walk-in advising.

Attention Seniors and Grads!

Rotary Club Global Scholarship

Rotary District 6710 is pleased to announce that applications are now being accepted for two \$40,000 Global Grant Scholarships for graduate study during the 2016-17 academic year at a university outside North America. To be eligible for a Global Grant Scholarship, candidates must have residency in District 6710 (west of Lexington in Kentucky), present a plan of study and a career commitment that align with one of The Rotary Foundation's six humanitarian areas of focus (Peace and conflict prevention/resolution; Disease prevention and treatment; Water and sanitation; Maternal and child health; basic education and literacy; Economic and community development), be endorsed by a grant-qualified Rotary Club in District 6710, and provide a Letter of Acceptance (or a Letter of Affiliation) from the university where the scholar's study will take place.

National Deadline: December 15, 2015*

For more information visit: www.rotarydistrict6710.org

*The applicant must be approved by a sponsoring Rotary Club prior to that date.

Calling All Sophomore and Junior STEM Students!

Barry M. Goldwater Scholarship

[For Research-focused Students in the STEM Disciplines]

The Barry M. Goldwater Scholarship (for research-focused students in STEM disciplines) funds the undergraduate study of college students who intend to pursue careers as high-level scientists, researchers, mathematicians, and engineers. This prestigious award opens many doors for its winners. Sophomores and juniors with an established record or research in their field and a high GPA should consider applying.

National Deadline: January 22, 2016

For more information visit: <http://www.act.org/goldwater/index.html>

Juniors Committed to a Career in Public Service:

Harry S. Truman Scholarships

This Harry S. Truman Scholarship provides leadership training, a professional internship in Washington D.C. and \$30,000 toward graduate study to college juniors interested in careers in government, education, the nonprofit sector, or the public interest/advocacy sector. Public service includes government, uniformed services, public interest organizations, non-governmental research or educational organizations, public and private schools and other public service –oriented non-profit organizations.

THE HARRY S. TRUMAN SCHOLARSHIP FOUNDATION

While many different majors eligible, competitiveness would depend upon how well candidates can show a larger impact of the work they intend to do. They will need to show a specific issue on which they want to work, as well as the impact they plan to have in that area.

Campus Deadline for ALL Materials: January 4, 2016

National Deadline: February 2, 2016

For more information visit: <http://truman.gov/>

National and International Scholarships

Attention ALL Undergrads!

Boren Awards

The Boren Undergraduate Scholarship provides up to \$20,000 to U.S. undergraduate students to study abroad in areas of the world that are critical to U.S. interests and underrepresented in study abroad. Boren Scholars represent a variety of academic backgrounds—from Global Health, to Economics, to STEM disciplines—but all are interested in studying less commonly taught languages and building regional expertise in parts of the world of U.S. national security interest.

National Deadline: February 9, 2016

For more information visit: <http://www.borenawards.org/>

Seniors and Recent Graduates:

Carnegie Junior Fellows Program

Each year the endowment offers approximately 10-12 one-year fellowships to uniquely qualified graduating seniors and individuals who have graduated during the past academic year. They are selected from a pool of nominees from close to 400 participating colleges. Carnegie junior fellows work as research assistants to the endowment's senior associates. Those who have begun graduate studies are not eligible for consideration.

Student Spotlight

Tasneem in Florence, Italy.

Tasneem Karim

Sophomore • Anthropology Major
Vice President of Philanthropy, HSC
2nd Year Science LLC Participant

Why did you join Honors?

I was very intimidated by UofL's large size as an incoming Freshman. I knew that college was going to be a big change, so I wanted to be in a supportive environment that would ease my transition. Joining the Honors Program did exactly that for me by letting me be a part of a small community full of incredibly supportive individuals.

In what ways have you been involved with the University Honors Program?

I was a member of the First Year Science LLC during my Freshman year, and I am currently in the Second Year Science LLC. I have also been an Honors Host since my first year, and it has been very rewarding to share my Honors experiences with prospective students. I served as a Freshman Representative for the Honors Volunteer Program in Honors Student Council, which was an amazing introduction to HSC. Now, I am organizing and planning the Book and Media Sale as one of the Vice Presidents of Philanthropy on council.

What is your favorite aspect of being a part of a LLC?

Being a part of a LLC made my transition to college an easy one, because it allowed me to make bonds with people who happened to be my classmates. It was truly a great experience, because I had the opportunity to live with people who had very similar interests as me.

Outside of the classroom, what experiences have you gained from being involved in LLCs?

I have made life-long friends while being involved in the

First and Second Year LLCs. There is something truly bonding about studying, going to class and living together with people who are so similar yet so different from you.

If someone was interested in joining an LLC what would you tell them about it?

I would tell them that it would be the best decision that they could make for their college experience. However, it all depends on how much you put into it and how much you want to get out of it. The LLC experience requires you to get out of your comfort zone and make bonds with people, and it will not be the ultimate experience if you are not willing to do that.

Last year you were a Freshman Representative, and this year you are a Vice President of Philanthropy; what made you join Honors Student Council?

I wanted to get involved on campus as soon as Freshman year started and HSC was one of the first RSOs that I applied for. I heard about HSC from my RA in Threlkeld and it seemed like exactly the kind of organization that I wanted to be a part of. However, I didn't realize just how phenomenal HSC was until I joined.

What do you like about council the most?

I love how inclusive council is. There is just so much love and friendship that exists within bubbles and even across council. One of my favorite things about it is that although we are a relatively small organization, we set large goals and more often than not, we meet them. I also love how everything on council is volunteer-based, and we are still all very motivated and passionate about the programs we want to put on.

One of the signature philanthropy events this year is the Book and Media Sale. Why do you think students should help with BAMS?

BAMS is the **biggest** charity event that HSC puts on! This year, all of our proceeds are going to Camp Quality Kentuckiana, a local nonprofit that organizes summer camp experiences for children with cancer. Our goal this year is to raise \$15,000! I think students should help because this would be a tremendous donation for Camp Quality and would give a significant number of kids the opportunity of a lifetime. It is also going to be a massive event – we are aiming to have 40,000 donations!

Advisor Spotlight

Michelle Williams

Academic Counselor, Sr.
School of Music

Where are you from, originally?
Louisville.

What degrees have you earned and from where?

Bachelor of Arts in Sociology, Master of Education in Counseling Psychology, and Master of Arts in Higher Education Administration from the University of Louisville.

How did you arrive at academic advising as a career?

I worked as a GA with students during my graduate program. I really enjoyed helping them stay on the path to graduation. I believe academic advising was the best way to combine my educational background with my love for working with college students. It is the perfect fit for me.

What do you love best about advising students?

I truly enjoy assisting students with maneuvering the maze of higher education. From orientation to graduation, I have the privilege of empowering my students to be able to take control of their educational journey and stay on course to achieve their goals.

Why did you join the Honors Advising Liaison League (HALL)?

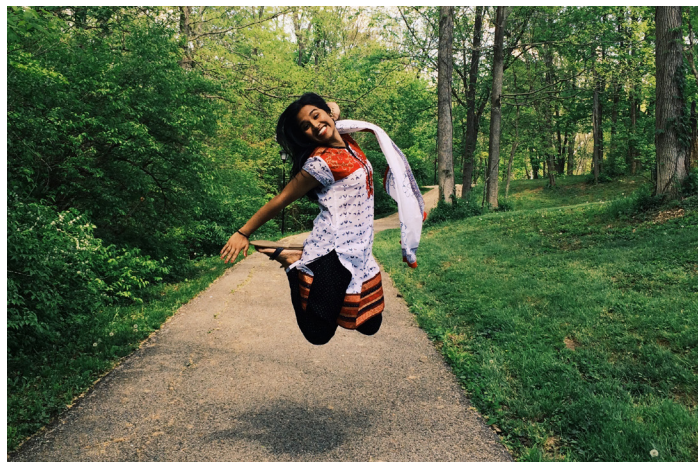

My goal is to gather information to share with my students. Being a member of HALL has allowed me to be a better adviser to my Honors students.

What is your number one hope for the Honors student experience at UofL?

My hope is music majors in the Honors program will have the ability to fully participate in all of the opportunities afforded to them despite their hectic schedules.

What are your favorite past times?

Pinterest and spending time with my family.

Student Spotlight: Tasneem Karim,
Continued from Page 7

How do you feel being on council has influenced you as an individual?

Being on council has made me become a better leader. I have also become more service-oriented and passionate about issues in our community because of my involvement with the Honors Volunteer Program.

What are some of your favorite experiences as an Honors student so far?

I think my absolute favorite experiences have been being a part of the Science LLCs and Honors Student Council. Both have taught me so much about myself and brought some of my closest friends into my life. Most importantly, these they have defined what it means to be in Honors for me, by allowing me to work with individuals who are both academically driven and intrinsically motivated to serve the community.

What does Honors mean to you?

For me, Honors means balance between being successful in my classes while also being actively involved on campus and serving the community. Finding this balance is much easier said than done, but I think Honors students do it very well.

Call for BAMS Donations

This academic year, Honors Student Council is proud to announce the bi-annual Book and Media Sale (BAMS). All profits from this massive sale will go directly to Camp Quality Kentuckiana to help give children living with cancer a chance to just be kids.

In order to make this event happen, we need your help in the form of donations; we are happy to accept gently-used books, DVDs, CDs, records, and video games. Donations will be due no later than Friday, March 25th, 2016, and the sale itself will be held during the week of April 2nd, 2016. Honors Student Council wants to make this year's event even bigger and better than the last, and we can't do that without donations from you. If you wish to donate, drop off any acceptable items at one of our BAMS boxes (locations listed on right.) Thank you for your generosity in advance!

If you have any questions, feel free to email HonorsBAMS@gmail.com or visit our website, www.uoflhsc.com.

Event Review: Spookfest

On October 28th Honors Student Council hosted the annual Fall Party in the lobby of Threlkeld Hall. Students could take a break from studying to watch *Hocus Pocus*, eat wings, color Halloween-themed coloring pages, or snap a photo in the Spookfest photobooth! There were lots of treats (like Halloween candy and popcorn trail mix) and no tricks. This laid-back event offered Threlkeld residents the chance to unwind and meet new people while enjoying the best parts of the Halloween Season. Conrad Johnson (pictured in the right photo) said “it was great spending time with people I don’t usually see more than in passing, and I’m always excited to be involved in the community.” HSC can’t wait to offer more events for Honors students this semester!

Film: *A Place at the Table*

Don’t miss out on our final Honors Volunteer Program documentary viewing of the semester! We will be watching *A Place at the Table*, a film showing how food insecurity affects the lives of four different families. You can watch the trailer for the video here: <https://www.youtube.com/watch?v=cgxxT4xpVNI> Doors open at 5:30, at which time we’ll be serving locally-sourced food from the Louisville area! Movie starts at 6:00, and discussion will follow! If you have any questions, contact Danielle Deal at dnddeal01@louisville.edu.

Official Film Synopsis

A Place at the Table shows us how hunger poses serious economic, social and cultural implications for our nation, and that it could be solved once and for all, if the American public decides - as they have in the past - that making healthy food available and affordable is in the best interest of us all.
