★ STAY CURRENT ★ SPECIAL ANNOUNCEMENTS

GET READY TO REGISTER!

As you all are probably well-aware, Priority Registration is right around the corner! We in Honors Advising are happy to help you through it, whether it's your first time around or you are a highly-experienced registrant, we hope that the following tips will help to alleviate your anxieties and ensure a successful registration experience for Spring 2017:

PRIORITY REGISTRATION BEGINS AT 8:00 AM ON THURSDAY, NOV. 3

We recommend that you go ahead and **fill your shopping carts on ULink** with your specific course selections for Spring 2017 now, so that you can be ready to just click the "Submit" button bright and early on 11/3. Try using the Online Schedule of Classes in tandem with your ULink Shopping Cart to figure out your day and time options (a link to the schedule of classes is in the Advising Tool Kit below.)

Please consider "validating" your courses prior to registration using the **Planning area of your Shopping Cart**. This way, you have some time to investigate error messages before the day of registration.

To avoid delaying registration, **check for any registration holds** on your account before Nov. 3. Log into ULink and navigate to your "Student Center" under the "Student Services" tab to do this. Not all holds are advising-related, so please read them carefully to find out which office can best help you to address these. If you need assistance addressing these holds or interpreting the reason for them, please contact your advisor or the Etscorn Honors Center at 502-852-6293.

HONORS WALK-IN ADVISING IS NEXT WEEK

10/31-11/4 • 8:30-11:30 AM & 1:00-4:00 PM • ETSCORN HONORS CENTER

Want to change your Honors course? Haven't seen us this semester? Have a hold you didn't expect? We are here to help! Everyday next week we will have advisors available for walk-in advising. Wait times vary, so please make sure you have enough time to do walk-in advising.

NEW HONORS SEMINAR! SPORTS IN FILM

HON 331/341-09 • TTH, 2:30-3:45 PM • PROF. M. HAMBRICK

Sports represent a \$215 billion industry and have a dominant presence within the American cultural landscape. Likewise, films have assumed a prominent role within popular culture, and award-winning films and documentaries have helped capture the avid interest in sport consumption. In this course, we will examine films showcasing sports and their portrayals of gender, race, ability, sexuality, social class, and nationality. We will critically review the selected films and documentaries along with related articles, as we assess the role sport plays within popular culture. During class, we will watch excerpts and supporting content, but your preparation should include viewing the film or documentary in its entirety prior to class.
