MEET YOUR HALL DIRECTOR

MOHAMMAD HUSSAIN

“Hello, my name is Mohammad Hussain and I will be your interim Hall Director at Bettie Johnson Hall. Currently, I am an Assistant Director in University Housing where I am also responsible for Affiliated Housing and student conduct. I have been in student housing for more than 10 years and have enjoyed all of it. I have worked the University of Florida and the University of Maryland. I moved to the Louisville area in 2010 with my family and we have enjoyed making Louisville our HOME. I am originally from South America but grew up in Miami. I joined the Marine corps out of high school, served in the First Gulf War and then joined the Florida International University where I received my bachelor's degree. This year I hope to work with our RA staff to make this a memorable experience while you live in Bettie. I hope you will support your RA by responding to their outreach to connect with you and attend the events that they will schedule. I encourage you ALL to attend as many of welcome week events as you can. Take advantage of the free food and give aways that will be offered at the events. I will close by saying I hope to say hello to you as your hall director but hope not to meet you as the housing conduct officer. Welcome and have an AMAZING year.”

You can reach Mohammad at m.hussain@louisville.edu.

TIPS

During the first week of classes, be sure to attend your floor's required welcome meeting, where you will be able to connect with your Resident Assistant (RA)!
